Councilor Hohmann moved to accept the minutes from the special Town Council meeting held on November 1<sup>st</sup> with amendments. President O'Brien seconded the motion, and the minutes were approved as amended by a vote of 2-0.

### **Report of Town Engineer**

Cecil Whitaker suggested legal counsel should determine the merits of pursuing compensation from Citizen's Gas for the sinkhole damage on 75<sup>th</sup> Street. He reported DPW has not completed review of the Drainage Study, and that the reclamite and paving projects are scheduled to start within the next few days. He reported the new traffic signs on Pennsylvania have been installed and that a letter has been drafted for comment regarding grants and funding.

### **Report of Town Attorney**

Sue Beesley reported an executive session can be called if necessary to receive counsel regarding the

Citizen's Gas issue. A letter was sent to the party responsible for damaging the Town sign without response. She reported the City of Indianapolis misplaced the signed agreement regarding closure of Holliday Park, and has requested the completed agreement as well one for 2005. Ms. Beesley suggested completion of the requested email and meeting policy once she met with the new Public Access Councilor, who will be appointed soon. She assured residents that the Council is in complete compliance and has every intention of adhering to Indiana Public Access Laws as they apply to meeting notices, communication, and quorums.

### **Report of Town Clerk Treasurer**

President O'Brien reported Clerk Treasurer Nunery resigned effective November 1<sup>st</sup>. He thanked Dr. Nunery for his contributions and for continuing to keep the books and payroll until December 1<sup>st</sup>. He explained that because Dr. Nunery ran as a Republican, the appointment of the position will be by the Republican Party precinct committee persons in a caucus called for Tuesday, November 30<sup>th</sup> at 7pm on Park Tudor's campus. President O'Brien requested that any interested residents notify him so he can pass their names to the County Chairman of the Republican Party for consideration. There was discussion regarding appropriations for a Deputy Clerk Treasurer. President O'Brien advised that he will request the ad hoc Salary and Review Committee to make a recommendation to the Council before the November 30<sup>th</sup> caucus if possible. Additional insight will be provided at the roundtable meeting of the 12 Towns within the City of Indianapolis scheduled for November 17<sup>th</sup>.

A financial summary for October was submitted, showing a cumulative cash balance on hand of \$285,602.97.

### **Old Business**

There was no Old Business reported.

### **New Business**

President O'Brien announced he will be moving in early 2005 to another home within the Town Boundaries. However, the move from District 3 to District 2 will disqualify him from continuing to serve under the current code. He indicated an interest in continuing to serve, but would not personally introduce any legislation or vote on any ordinances involving this issue because of personal conflict. There was general discussion regarding three options: moving the district lines, eliminating the districts and making the Councilor positions at large, or doing nothing.

President O'Brien provided a committee report for Councilor Ivcevich in her absence for the Streets & Thoroughfares, Police and Finance Committees. Councilor Ivcevich submitted minutes of the Streets and Thoroughfares Committee meeting on October 27<sup>th</sup>.
