Spring is Coming

And so are Spring Showers.

Despite any rumors you've heard to the contrary, winter *will* end and Spring is right around the corner! This has been a brutal winter, but warmer weather and spring showers will be here before you know it. With that in mind, there will be flooding. Please be sure any storm drains adjacent to your property are clean and free of debris. Thank you for your cooperation!

Town Police

Stay Safe.

As daylight continues to grow longer and the weather warms up, many people will be out walking, running, and riding their bikes through the neighborhood. Please slow down when driving, and share the road with the pedestrians and bicyclists.

As always, continue to be vigilant and don't hesitate to call **9-1-1** to report suspicious activity or an emergency!

Speed Radar Sign

Drive slowly on residential streets.

The Town recently retrofitted our speed radar sign with a new solar charger, and purchased a second unit. One radar sign will be installed on 75th Street, and the other on Pennsylvania Street within the next week or two.

Please be sure you're driving within the posted speed limits, especially around our schools and churches. The Town Police will continue to monitor speeding and issue citations as necessary.

Potholes

Help us keep the roads safe.

Please report potholes on Meridian Street, College, Spring Mill, and 71st/73rd, to the Mayor's Action Center at 327-4622 or [Mayor's Action Center](#).

If the potholes are on other streets within the Town, please email the location including address to

engineer@meridianhills.org.

Your prompt notification will help us maintain the high quality of our Town roads, and protect motorists from possible damage to their vehicle.
