Town Fundraiser

Help Complete Projects ***on your street!***

With a limited budget, the Town of Meridian Hills is constantly evaluating capital improvement projects. Years ago the Town created the ***80/20 Plan*** for residents who wanted to complete a town-approved project when available funds were not in the budget.

Well, now's your chance! Upgrade a streetlight on ***your*** street; illuminate a Town Entry Sign in ***your*** neighborhood; replace a rusty, fading stop or traffic sign near ***your*** house!

Following is the list of streetlights along 75th and along Pennsylvania, and the non-illuminated Town Entry Signs. (However, keep in mind that *any* streetlight, including those not listed below, can be upgraded).

Everyone has interests and causes that are close to them. Many may not have an interest in this effort. If *you* do, please consider sponsoring a fixture. Talk to your neighbors to see if there is a shared interest...10 homeowners donating \$200 each or one homeowner donating \$2,000 will complete a project! One at a time.

All donations to the town are tax deductible, and *every cent* goes toward the project! If enough donations to *complete* a specific project are received ***prior to the September 14th*** Regular Council Meeting, the council will take a vote to consider proceeding with *that* funded project before the end of the year.

Please make checks payable to "Town of Meridian Hills" and mail to:

(It costs \$2,500 to change a streetlight mounted on a telephone pole to a Washington-style streetlight because of required trenching and riser; IPL offered to switch out the 6 old metal octagon fixtures shown below for \$750. The dollar amounts beside each fixture reflect the 80% donation required to complete the project.)

Resurfacing Arden Drive Starts September 8th

The City of Indianapolis will be resurfacing Arden Drive between Broadway and Meridian Street over the next few weeks. The contractor is tentatively scheduled to begin ***Tuesday, September 8th.***

As with all repaving projects, there will be temporary lane closures, traffic congestion, and rough asphalt. Please drive slowly through the construction zones to protect the workers. Please also consider alternate routes that might be easier on your vehicle until the roadwork is complete.

For additional information, please contact the DPW Project Manager directly at Elisha.Dodd@indy.gov

Sherwood Village Little Library

Ribbon Cutting September 8th

The Sherwood Village Little Library will have a ribbon cutting ceremony on **Tuesday, September 8th, 6pm.** Please plan on stopping by to check out this great addition to the neighborhood. The Sherwood Village Little Library will continue to strengthen the sense of community within the Town of Meridian Hills. Special thanks to Jeff Berebitsky, who has coordinated the project for the Sherwood Village neighborhood!
