## *The Face of a Burglar*

Be on the Lookout!

Click [HERE](#) to see the BOLO Sheet - "**Be On Look Out**" - for a home burglary that occurred in the 6700 block of North Meridian Street, between 8am and 1pm on July 13th. The photos came from camera footage of an in-house security camera. The suspect broke out the glass of the front entry door. Items taken from the victim's bedroom include a revolver, cash, several watches and jewelry. This *may* be the same suspect wanted for several other north side burglaries recently.

The Indianapolis Metropolitan Police responded to the call and continue to investigate. Fingerprints were taken by IMPD, which will be reviewed for any potential suspect matches. Sergeant John Maloney with IMPD continues to do all he can to support this case. Based on the quality of the images, and the hope that WTHR-13 may run a story, the suspect could be identified.

Please continue to remain alert and report suspicious behavior *immediately* at **9-1-1**. If you see something, say something. *Call. Call. Call.* If it's a non-emergency, or to have a report taken, please call 327-3811. It's important to report *EVERY* incident so the police can study patterns and adjust patrols.

Here are links to [SafeTown](#) and [CrimeView](#), which are posted on the [meridianhills.org](http://meridianhills.org) homepage. SafeTown provides a way for residents to sign up for emergency alerts that occur in the City of Indianapolis. Both SafeTown and CrimeView provide a map of recent criminal activity.
