The Special Town Council Budget Meeting of the Town of Meridian Hills, Indiana, commenced at 6pm, at the Monon Coffee Shop, 920 Westfield Blvd.

The following issues were discussed as they related to the 2005 Town Budget:

1. Salary increase for the four elected positions
2. Additional stipend for the office of president
3. Appropriations for a salary for Deputy Clerk Treasurer
4. How much salary for Deputy Clerk Treasurer, if appropriations are approved.

After much discussion, the Town Council elected to establish an independent ad hoc committee to review all of the above issues, and to consider a recommendation made by the committee for future action.

Regarding the 2005 Town Budget, the Town Council did not vote in favor of a salary increase for the four elected positions, the additional stipend for the office of president, or for appropriations for the Deputy Clerk Treasurer salary. The meeting adjourned at 8:00pm.

Respectfully submitted,
