*Winter has Arrived*

With Snow and Ice

Winter in Indiana has finally arrived, with blowing snow and ice! Please be careful, and drive slowly for the conditions on the road.

## Town Streetlights

Project Underway

The nine decorative Washington-style streetlights approved by the Town Council last November are in the process of being installed. They will replace nine existing Cobra-style streetlights at the same locations. The installation and scheduling of the work is done by IPL.

Special thanks to all the residents who donated toward the project! Contact the Town Council if you're interested in sponsoring a fundraiser for a town-approved project on your street.
