**IndyGo** is in the process of planning for Phase 1 of the Red Line, a new bus rapid transit line running from Broad Ripple to UIndy on the south side. Phase 2 will run from Broad Ripple to Carmel and Westfield via College Avenue.

**Indy Rezone** is a multiyear effort that started with a comprehensive review of the zoning ordinances that regulate land use and development in Indianapolis. This review was followed by a revision of ordinances to better reflect the conditions and development climate of the 21st century. The last comprehensive update of the zoning ordinance was completed with the adoption of Unigov in 1970.

The Town of Meridian Hills is hosting an Open House on Tuesday, October 20th, 6pm, in the Lower School Library of the Hilbert Early Education Building on Park Tudor's campus to learn more about **Red Line Rapid Transit** and **Indy Rezone**, and the potential impact the projects may have in our community. Representatives from both projects will be present to share information and answer questions from residents.

Additional information can be found on the following links: [Red Line Rapid Transit](#) and [Indy Rezone](#).
